

**Green Step Adventures** with cooperation with **Best Friends China** presenting a very unique voluntary program for kids during which they will visit a small dog shelter located in Shanghai City area.

### Benefits for kids

Improving nurturing skills  
Developing responsibility and empathy  
Boosting self-esteem  
Improving social skills  
Enjoying the natural environment and pets company

### Education

During the program, kids will have chance to join a lesson prepared by the shelter volunteer about the dogs behavior and the dogs health

### Safety

Small dog shelter is prepared with kids in mind. There is only 20 socialized and regularly cleaned animals in the center

### Natural environment

The shelter is located out of the Shanghai city and have large garden with the barbecue area, farm animals enclosure and the garden
